

Serving God through His people

## The Kindergarten Class of 2002-2003

This is a great opportunity for us to present the class of 2002-2003 of the Christian Academy in Mirebalais Haiti. They have completed their first year of school and now are ready to return to school this coming academic year: September of 2003.

At the same time, registration is open for a

Class of kindergarten of the Christian Academy of Mirebalais Christian Church, Haiti

new class of 2003-2004. Again they need sponsors. You can choose to sponsor one child with 15 dollars a month. Contact Logic Ministries to do so.

## Needs

- funds and workers to begin construction of the new school
- New vehicle for pastor Avenel
- 200 student sponsors

### Haitian Ministry Leadership:

## Mirebalais Christian Church and Academy September 2003

## Vacation Bible School 2003

This year again, God has been faithful to us in spite of different difficulties we were facing in the organization of VBS 2003. The theme of the VBS was: God loves all the children. The program consisted of sports, songs, Bible and crafts and other intellectual activities. We had the opportunity to serve more than 250 children. This year we had children coming from the two daughter churches of Mirebalais Christian Church. Some of them walked over two miles to

Children playing during VBS 2003

come to this great event. They heard about the nice and beautiful VBS of 2002 and were eager to register again this year. Most of them invited their friends to come participate. We fed them every day for two straight weeks from July 14th through July 27th.

A great team from Christianville college came to Mirebalais to help Myrlene and I organize this VBS. I want to thank Taylor Mill Church of Christ for the gifts of 150 t-shirts. Also thanks to Peace Christian Church, Fairmont Christian Church for providing some funds for VBS 2003.

## The Second Anniversary of the Church.

The church celebrated its second anniversary. Last February we had two groups from North Carolina, Cincinnati and Kentucky that added the other half of the church. This past July, the church has grown to almost 450. Sunday July 27th we had almost 500 that came to celebrate with us. We had great music of thanksgiving and we all ate together rice and beans. That was a great moment of celebration. Praise be to God for ever and ever. I had the chance to preach during two weeks on Psalms 127 and Psalms 128. *"Blessed be those who build their house with God on Jesus-Christ."* A lot of people rededicated their life and commitment to Christ. Thank you all for your prayers and your continuing support.

## Young Adults Camp.

The camp this year will be near the city of Mirebalais at a great site 5 miles north of The city. We will go with about 80 young adults to concentrate on prayer and Bible studies. Last year we had a wonderful time in Christianville with them. We are looking forward again to having a good time where we will be able to communicate the principles of a pious spiritual life. It will take place from August 21-24. Please pray that God will use this moment for his glory.

One of the four classes of VBS 2003

## Leadership Development

This year, Myrlene Clersaint graduated with a Bachelor's degree in Education science. Her job will be to

Myrlene Clersaint was born August 5th 1970 in Jacmel,

supervise the schools of Logic Ministries as soon as I find a sponsor for her.

She can be started with a salary of 250 U.S. dollars

a month. If there is a church that wants to do

so. Please send an e-mail to: [info@logicministries.org](mailto:info@logicministries.org)

## Short Term Missions

In February we had groups come in to work on the church. They were from Highpoint NC, Peebles Ohio, Taylor Mill Kentucky and Cincinnati Ohio. These teams worked together to add on the second half of the church building. In addition, a concrete floor was poured for the entire building and stage area. Many thanks to the teams that came to work. We plan to launch the construction of the new school in Mirebalais this coming February. If there are churches that

are interested in construction, we are looking toward February and March 2004, please let us know if you can make a trip.
