
Helping Children in Haiti get an education for life.

We are glad to be in the ministry in

Haiti serving God through His people.

This is why we have started this program

for the sake of serving the little children of

Mirebalais by providing them a Christian

education. Our goal is to find 150 spon-

sors to support the capacity of our school.

To sponsor a child is to give an oppor-
tunity for the Christian school of Mirebal-
ais to give a Haitian child the best quality
education and at the same time to preach
Christ to them while they are still young.

Will you help us make a difference in
the life of a child in Mirebalais, Haiti?

How Can I Sponsor A Child?

For the amount of \$15.00 per month you can sponsor a child at the Mire-balais Christian School. Simply fill out the enclosed form and return it

Your help provides a child with opportunities they would never have.

to L.O.G.I.C. Ministries indicating your commitment to send \$15.00 a month for the next year (\$180—US Funds). You can send a special Christmas gift, and correspond with your child throughout the year. We will send you a picture and the biography of your child.

Every month you will receive a receipt for your tax deductible contribution, and quarterly you will receive an update newsletter to inform you of the progress of this ministry.

When you think about it, \$15.00 is a small price for Americans to give, but in the life of A Haitian child, it will make all the difference in the world. For less than the price of a fast food meal, you can change a child's life for eternity.

What does the money provide?

Your gift will pay the cost of educating your child as we will hire well-qualified teachers for the school. The \$15.00 will also pay for the books and uniforms for the children, as well as provide each student a hot meal daily. For some students it is the only time they will eat each day.
